Company's Introduction

COMPANY'S INTRODUCTION

Aarson Garments & Textile Trading is a well known supplier for uniforms and promotional products in the United Arab Emirates. The company design led philosophy, coupled with strict quality assured production processes, distinguishes them from others suppliers and has earned the organization a reputation for excellence.

At Aarson Garments, we believe that our customers are our most important asset and we are proudly served all our customers without most commitment and quality product.

We view our Customers as our parents and our foremost priority is to provide them quality products, at the time they need with the best prices prevailing in the markets. We provide customised products to our Customers demands with value added promotions having embroidery and screen printing as the specification required.

Based on our principle "Honesty & Sincerity" Aarson Garments offers good quality, fair price and excellent service to win the confidence and trust from our clients.

We are specialized in but not limited to:

- Office Uniforms
- School Uniforms
- Hospital Uniforms
- Workers Uniforms
- Hotel Uniforms
- Gift & Promotions
